# CHRISTOPHERS GAA FOOTBALL CLUB

Founded in 1987 and named in memory of Christy Sweeney of Kildare who was tragically killed in an auto accident in West Roxbury.

Christophers had a hurling and football club for two years before the hurling club came to an end due to the lack of players and financing. However the football club had got off to a good start, reaching the final their first year. Over the next seven years they won three intermediate New England championships: 1990, 1992, and 1995. Since 1995 they have gone through a lean period, but with an influx of new personnel at management and playing level things look promising for the future.
